### SPOTLIGHT: Fighting Abortion Stigma with Billboards

To combat abortion stigma in Cleveland, local advocates developed billboard campaigns that present a positive vision of reproductive health care, including abortion, and support for families. Following the murder of Tamir Rice, New Voices Cleveland erected billboards of artwork from the Repeal Hyde Art Project affirming that reproductive justice includes the right to parent children without fear. Preterm, an independent abortion clinic in Cleveland that has faced repeated incidents of vandalism, continued its ongoing “My Abortion. My Life” campaign by displaying anti-stigma ads on billboards and bus shelters designed to empower patients to share their personal experiences on Preterm’s website.
