SPOTLIGHT: *Standing Together Against Discrimination*

Given its history of resisting discrimination and supporting equality, it is no surprise that Denver was one of the first cities to respond to the results of the presidential election in November 2016 with a commitment to addressing systems of oppression. The City Council passed a “Standing Together with Denver Moving Forward” proclamation that declared Denver’s support for “brothers and sisters in communities of color, LGBTQ, immigrants, refugees, and those of the Muslim and Jewish faiths who at times have been targeted in unjust ways.”
